Have you ever wanted to audition for a musical but were too nervous to actually try? Didn't know where to start or what was expected of you? Now is your chance to learn BEFORE that big audition! Come along to Musical Theatre Dance and Singing and learn what to wear; how to prepare; how to develop confidence and how to shine. Tutors will teach different musicals in each term.

Musical Theatre is one of the most popular art forms in theatre today and a Musical Theatre performer needs to develop three performing skills; namely singing, acting and dancing.

In the dance classes within the workshop, students will play theatre games in order to build up teamwork and trust. They will learn the importance of warm-up, stretching and cool down and some basic musical theatre vocabulary. Students will be encouraged to do some research into the show and music that is being used, in order to develop the right character or emotion for the piece.

In musical theatre singing classes, the instructor will introduce different elementary performing techniques through musical songs. Students will learn breathing techniques, shaping of musical phrases and how to make use of their bodies on the stage. Apart from group studying, students will receive individual coaching as well.

The aim of this course is to develop confidence in each student and a better understanding of the Musical Theatre genre. The last lesson of the course will be a presentation performance, where students can perform and learn from each other. Parents and friends are welcome to join this session and share their achievements.

你曾否因為對音樂劇不甚了解而放棄參加這些大型製作的面試？是否不清楚什麼是音樂劇，卻又不知道有什麼途徑可以接觸音樂劇？這正是一個於角色選前裝備自己的機會。音樂劇舞及歌唱訓練課程為有志於舞台演出的學員作好準備，教導學員如何在舞台上顯現自信及發出光芒。每季課程將教授不同的音樂劇。

音樂劇是多種表演藝術的結合，為現今流行的音樂樂種之一，當中揉合了歌唱、戲劇及舞蹈等表演元素。

在舞蹈方面，學員將透過一些戲劇遊戲去建立互信及團隊精神。他們會學習熱身、舒展肢體及平靜情緒對演出的重要性，以及一些基本的音樂劇術語。導師會帶領學員剖析戲劇及音樂，從而深化他們對劇中角色性格及情感的了解。

至於歌唱方面，則以多齣音樂劇名曲作為教材，教授學員不同的歌唱技巧（包括呼吸、發聲及樂句處理）和多種演繹風格。此外，導師亦會引導學員認識舞台上的表演技巧，使學員對音樂劇有更多層面的認識。本課程主要以合唱方式教授不同曲目，當中亦會作個別技巧指導。

本課程目的為發展學員的自信心及使其對音樂劇藝術有更深厚的了解。最後一課為學員演出，歡迎家長及朋友進入教室，分享他們的學習成果。
