Message from the Director

校長序言

It is with much pleasure that I introduce the Academy's master's programmes. This comprehensive set of programmes provides gifted performing artists the opportunity to explore their art form at a deeper level, building on their previous studies and professional experience. These programmes will provoke, stimulate, engage, and inspire, while at the same time challenge students to reflect critically on their practice, the breadth of their traditions, and the innovative practices that will shape their future.

Practice-as-research is a core part of the Academy's ethos and is embedded within all its activities. The Academy aspires to produce graduates who are not only consummate performers but also intellectually curious and have a passion to expand the creative boundaries within which they work. The Academy's master's graduates will not only be future leaders within the cultural life of Hong Kong and the region but will also be well equipped to engage in a dynamic and changing global cultural community.

If you see yourself making a difference to your art form, to your community, to the future cultural life of Hong Kong, and to becoming a member of a connected global artistic community, consider enrolling in one of the master's programmes – we'll help you realise your full potential and achieve your personal goals.

Please enjoy browsing through the following pages and hopefully finding a programme that will inspire you to continue your voyage of exploration and discovery within the performing arts.

我很樂意向各位介紹學院的碩士課程。我們的碩士課程設計全面，專為有表演藝術天份的人士，在其藝術專業的理論知識及實習經驗之基礎上，提供深入鑽研的機會；旨在啟迪思想、激發創意、實踐所學：學生批判和反思傳統的表演藝術之餘，亦能革新其呈現方式，開闢藝術嶄新路向。

學院一向採用「以習為研」的研究方法，各類活動的設計重心亦以此為依歸。學院期望培養出技術圓熟、博學創新的藝術通才，勇於破舊立新，拓展表演藝術的疆界。學院碩士課程的畢業生將來不僅是香港及區內的文化旗手，亦能夠在千變萬化的寰球藝壇，獨當一面。

若你認為在自己的藝術專業中，尚有突破空間，期望為個別藝術範疇注入活力氣息、賦予香港文化藝術簇新定義、甚或縱橫國際藝壇，請報讀學院的碩士課程。我們會協助你盡展潛能，達成目標。

請細閱本課程手冊。我們希望你找到合適的課程，繼續為你精彩演藝之旅，加添動力。

Graduate Education Centre

研究生課程中心

The Graduate Education Centre was established in September 2005 to develop, promote, and foster graduate education and to maintain standards of postgraduate programmes at the Academy.

The Academy master's degree programmes provide opportunities for talented graduates from Hong Kong and abroad to obtain internationally recognised postgraduate qualifications in the performing arts and theatre and entertainment arts. The practice-oriented programmes foster artistry, develop advanced skills, provide in-depth knowledge, and build professionalism for students who demonstrate the potential for excellence. Postgraduate students undertake practical research, apply theory to professional practice, make original contributions to their areas of specialisation, and gain the specialised means and assurance to continue in life-long careers. While valuing independent accomplishment within contexts of collaboration and team effort, study at the master's degree level is intended to enable practicing artists to develop into potential leaders in the arts.

With an international mix of students and faculty, the Academy master's degree programmes provide opportunities for students to develop an international perspective in the arts and receive wider cultural exposure. The Academy's state-of-the-art facilities and its six disciplines of Dance, Drama, Film and Television, Music, Theatre and Entertainment Arts, and Chinese Opera provide ample opportunities for master's degree students to pursue cutting edge and cross-disciplinary work. Postgraduate students are a vital component of Academy life.

Master of Fine Arts in Cinema Production 電影製作藝術碩士

AIMS

This is an innovative programme providing opportunities for graduates of cinema production courses, or similar, and experienced practitioners to broaden, and renew their prior production knowledge and experience. The programme enables and encourages participants to explore the operational and aesthetic breadth of contemporary creative cinema production, including digital technologies. Students explore the collaborative nature of contemporary cinema production and experience how each specialised role enriches the complex art of cinema production, by collectively developing a project, from initial concept to screen.

Upon completion of the programme, students will be equipped and prepared to develop and produce or participate on feature cinema projects. Successful graduates will not only receive an MFA qualification but also take away significant production experience, a network of like-minded colleagues, and a production credit in a major crew role, on a feature-length cinema production.

An individual counselling service is provided to students to enhance their personal development and capabilities in handling their personal issues in social, psychological, financial and other aspects. Students in need are encouraged to approach the Student Counsellor for help. Through counselling, students may gain better self-awareness, autonomy, and objectiveness in the pursuit of personal goals. All information shared with the Student Counsellor will be kept in strict confidence.

Psychological assessment tools are provided to students at the Student Affairs Office (SAO) for better self-understanding. Areas of assessment include personality, study and career.

Information and assistance are also available for new and/or non-local students to facilitate their adjustment to the new environment.

Career Guidance and Employment Service

Career fairs and talks are organised to provide students an opportunity to receive first-hand information from employers. The SAO disseminates information on full-time, part-time or summer job opportunities to students. These job opportunities are mostly related to the major studies of students and allow students to familiarise themselves with the requirements and standards of the industry.

Internship opportunities which are either arranged by the Schools or the SAO allow students to be enriched by the learning experiences.

Career guidance and counselling are available to help students to formulate and consolidate their plans for future careers. The SAO also provides training to graduating students on drafting application letters and resumes and preparation for job interviews.

Financial Assistance

Extended Non-means-tested Loan Scheme (ENLS)

Eligible post-graduate students at the Academy may apply for financial assistance under the Government's Extended Non-means-tested Loan Scheme (ENLS) which provides financial assistance in the form of loan to eligible students to settle tuition fees of specific part-time and full-time post-secondary and continuing and professional education courses provided in Hong Kong. ENLS is open for new students to apply for in August. Students are advised to visit the Student Finance Office's website (<http://www.wfsfaa.gov.hk/sfo/eng/schemes/nlss.htm>) for application procedures.

Scholarships

The Academy offers a significant number of scholarships to current students. Applications to various scholarships are invited by the Student Affairs Office throughout an academic year. Scholarships are awarded to the most deserving students based on their outstanding academic and/or non-academic achievements during their studies at the Academy.

助學金

擴展的免入息審查貸款計劃

合資格的學院研究生可向學生資助辦事處申請「擴展的免入息審查貸款計劃」。此項計劃提供貸款予在香港修讀指定的專上 / 持續進修及專業教育課程的學生，協助學生繳付學費。新生可於八月申請上述資助。學生應瀏覽學生資助處網頁 (<http://www.wfsfaa.gov.hk/sfo/tc/schemes/nlss.htm>) 以了解申請步驟。

獎學金

學院提供多項獎學金予在讀學生。學生事務處每年均會邀請學生申請各種獎學金。獎學金根據學生的學習及 / 或非學習成就頒發予最值得的同學。

Non-Local Applicants

Non-local applicants are advised to submit their application forms as early as possible to allow for audition arrangements or the submission of audition VCD/DVD.

Non-local applicants must obtain a student visa via the Academy in order to study in Hong Kong. Visa application must be submitted to the HKSAR Immigration Department via the Academy. Application for a student visa usually takes up to 2 months to process. In the case of a non-local applicant who has entered Hong Kong on a visitor/tourist visa, the Academy will not register him/her as a student and will not allow him/her to commence his/her studies until he/she obtains a student visa.

In accordance with the laws of Hong Kong currently in force, a non-local student who studies at the Academy on a student visa is not allowed to undertake any employment, whether paid or unpaid. Non-local bachelor's and master's degree students with the relevant "No Objection Letter" (NOL) issued by the HKSAR Immigration Department are permitted to take up part-time on-campus employment for not more than 20 hours a week throughout the academic year; and employment during the summer months (1 June to 31 August) without any limit in relation to nature of work, work hours and location.

Accommodation

At present the Academy has no hostel facilities. The Academy has quite a number of non-local students. They take the initiative to organise their own private accommodation either on an individual or a sharing basis. Assistance will be provided by the Student Affairs Office in student accommodation matters as and when requested by students.

申請者應儘早辦理入學申請手續，以便安排測試或呈交有關的錄音／錄像影碟。

非本地申請者必須取得有效的學生簽證方可在港就讀。申請學生簽證須透過學院向香港特別行政區政府入境事務處辦理。此項申請一般需時兩個月。非本地申請者如以訪港或旅遊簽證來港，學院將不會為其辦理學生註冊，亦將不會准許其在本學院開始修讀，直至獲發學生簽證方可註冊。

學院根據香港現行法律，規定持有學生簽證的非本地學生在本院就讀期間不得接受任何有薪或無薪的僱傭工作。全日制非本地學位本科生及研究生取得香港特別行政區政府入境事務處簽發的「不反對通知書」後，可在校園內擔任兼職工作，學年內每週不超過二十小時。於暑假期間（六月一日至八月三十一日），工作的性質、工時及地點則不設限制。

宿舍

目前本學院並無宿舍。現時學院有相當數目的非本地學生就讀，他們自行以個別或合租方式安排住宿。若有所需，學生事務處可在學生自行安排租住宿舍事宜上提供協助。
