

School of Chinese Opera

戲曲學院

The Academy is committed to the preservation, revival, and development of Cantonese opera. September 2013 marked a significant milestone for Chinese opera at the Academy with the establishment of the School of Chinese Opera, and the offering of the world's first accredited Bachelor of Fine Arts (Honours) in Chinese Opera. The School of Chinese Opera focuses primarily on Cantonese opera, while also incorporating Peking opera, Kunqu opera, and other regional opera traditions. Since September 2023, the Academy has become the only operator awarded Programme Area Accreditation (PAA) Status in Cantonese Opera.

To enhance students' standards in theoretical studies and broaden their artistic horizons, the academic programmes at the School of Chinese Opera integrate courses in Chinese culture and a wide range of Academy electives, as well as opportunities for public performances, exchange activities, and industry-related internships. Upon completing the studies, students will be able to critically understand, analyse, perform, and engage in the creative work of Chinese opera.

In addition to nurturing recipients of the Hong Kong Arts Development Awards, the School secured support from the China National Arts Fund for its original work *Pearl Bay* in 2024, and toured Guangzhou and Hong Kong featuring current students, faculty, and alumni in early 2025.

香港演藝學院致力保存、復興及發展粵劇這門傳統表演藝術。二零一三年九月，香港演藝學院正式成立戲曲學院，並於同年開辦全球首個獲得學術資歷評審資格的「戲曲藝術（榮譽）學士」課程。戲曲學院以粵劇表演藝術為主要教學方向，旁及京劇、崑曲及其他地方戲曲劇種。二零二三年九月，學院成功獲取本地唯一的粵劇學科範圍評審資格。

戲曲學院課程輔以中國文化科目與多樣化的學院選修科，學生透過參與公開演出、院校交流及行業實習等活動，擴闊理解與鑒賞戲曲的藝術視野，從而提升感受、分析、表演與創作戲曲的能力。

除培養出香港藝術發展獎得主外，學院更憑藉原創粵劇《海珠灣》獲得二零二四年度國家藝術基金支持，並於二零二五年初率領師生與校友連袂赴穗港兩地巡演。

School of Dance

舞蹈學院

Dance is an art form which speaks to the human experience with unmatched eloquence, capturing the essence of our world through movement. The School of Dance cultivates 21st-century dance artists for our interconnected age — creative pioneers who draw upon Hong Kong's unique position bridging the East-West traditions with a global perspective, advancing the region's dynamic dance landscape with an ability to reflect society's deepest values and highest aspirations.

Integration lies at the very heart of the School's philosophy: the integration of its three specialisations of performance practice areas of Ballet, Contemporary Dance and Chinese Dance; uniting practice and dance studies theory, connecting technique, choreography, dance science, dance pedagogy and dance technology, and building bridges between the School and the global performing arts industry and community.

Building on this foundation, the School has been a driving force behind Hong Kong and the region's vibrant dance scene for decades. Our graduates consistently claim top honours at the Hong Kong Dance Awards and Hong Kong Arts Development Awards, cementing the School's pivotal role in shaping dance locally and on the global stage.

Through strategic alliances with world-leading institutions and artists, along with performance tours, visits and student exchanges to the Mainland, Asia, and beyond, these initiatives catalyse students' creativity.
