

LHF-HKAPA Scholarships 利希慎基金--香港演藝學院獎學金

LHF-HKAPA Scholarships were established with the generous donation of Lee Hysan Foundation to support and encourage outstanding local students who have financial needs to pursue Bachelor's Degree studies at the Academy.

All undergraduate local year one students who have granted the Tertiary Student Finance Scheme - Publicly-funded Programmes (TSFS) for tuition and have obtained a CGPA of 3.0 or above are eligible for the Scholarships. Each scholarship will provide the amount to cover full tuition with the means-tested Government Grant received by the recipient for the entire study period of 4 years. 5 scholarships are available for year one students each year.
