

STUDENT AMBASSADORS WELCOME YOU IN THE OPEN DAY

Student ambassadors of the School of Theatre and Entertainment Arts showed their peers the backstage corners

A group of student ambassadors from different schools of The Hong Kong Academy for Performing Arts (HKAPA) completed the two-day intensive campus tour guide training for the coming HKAPA Open Day on 8 March 2020.

Joyce Cheung Pui-wah, veteran theatre producer and alumna of the Academy's School of Drama was invited to be the trainer of the programme. In addition to the tailor-made training materials, Joyce had encouraged the students to go beyond the standard tour script and share their own learning experiences at the Academy. Students were proud to find out that the Academy has been ranked the first in Asia by QS World University ranking by subject and they were looking forward to sharing their fulfilling campus life with the guests.

The Open Day will be held in HKAPA's main campus and Béthanie campus. Let's join this exciting event and meet with our student ambassadors in the campus tour.

Joyce (1st from right) gave students an interesting lecture on how to be a good ambassador of the Academy
