

CREATIVE JOURNEY

Enrich the Lives of the Youngsters

The Creative Journey 2019/20 is organised by the Student Recruitment and Community Engagement Office of the Academy, with an aim to promote arts education activities to secondary schools in Hong Kong.

Among the eye-opening activities, secondary students can get exposure to the quality performances with an introductory talk in the “Opera Scenes School Tour” that fosters their appreciation for opera; in the “Dance Performance”, students will have the opportunities to attend a dance production choreographed by Helen Lai and the Artistic Directors of Hong Kong Ballet, Hong Kong Dance Company and City Contemporary Dance Company (CCDC) ; by participating in the “Navigating Theatre Design”, they will be introduced to the graduation works of Theatre Design students, and attend a Sound, Lighting or Costume Design workshop to deepen their understanding of creative process through hands-on practice. Moreover, screening and director’s sharing are also arranged for youngsters with passion in TV and film making.

Local schools are welcomed to make registration for free admission. Please [click here](#) for details and schedule of the diversified activities.
