INTRODUCTION

The Junior Music Programme at the Hong Kong Academy for Performing Arts is recognized as one of the most comprehensive music instruction programmes for talented youth in Hong Kong. It emphasizes the importance of early discipline and talent development in musicians.

The Programme offers a blend of comprehensive group training and individual private instruction, fostering both artistic and technical skills. Students participate in musicianship classes, ensemble activities, and creative music workshops, enhancing their overall music education. Regular public performances are integrated into the curriculum, allowing students to showcase their skills and gain valuable experience. The training demands significant devotion and seriousness from students who are passionate about their music studies.

Over 20% of the undergraduate music students in the Academy are former participants of the Junior Music Programme.

The Academy values the support from fellow students and parents, creating a stimulating environment that promotes the best possible music education for young people. Through musical training, students not only cultivate their musical talents but also develop an appreciation for the role of music in their lives.

課程介紹

自香港演藝學院一九八四年創校以來，青少年音樂課程為香港的校外音樂教育方面奠定了相當的基礎和地位。我們的主要教育目標是啟發和擴展學生的音樂潛能與天份，並強化他們的音樂專業素質競爭能力，務求讓學生們在理性和感性知識上能得到平衡發展的同時，也使他們在成長中認識自己在多方面的才能，從而希望能使這些青少年的身心得到全面的發展。

本課程為有志於從事音樂或藝術事業發展的學生，提供嚴格而扎實的音樂基礎訓練。在致力於傳統音樂教育上的同時，也在音樂教育的進程和社會變化環境中，不斷尋求更合適的教育方法。

現時演藝學院的本科音樂學生當中，有超過百分之二十是曾經參加青少年課程的學生。

演藝學院的設備和師資為學生提供了一個專業的學習、訓練及音樂知識培訓環境。課程的主要招生對象為五至十八歲在香港就讀的青少年學生。本課程除了主修樂器、聲樂和作曲的個別課程以外，還包括音樂基礎訓練、試唱練耳、合奏課、音樂創作工作坊、演奏、合唱團、中樂合奏、室樂團及交響樂團等。本課程還為學生們提供許多的表演機會，以期發揮他們在表演方面的才能，並在表演中接受更多的藝術薰陶。

AUDITIONS

Preliminary Screening

Applicants wishing to pursue a Major Study in **Composition & Computer Music Technology** must submit scores of 1-2 works (with an audio CD recording if possible).

Those applying for Major Study in **(i) Piano, or (ii) Woodwind, Brass, Percussion** instruments should submit two separate visual recording(s), showcasing two contrasting works of their own choice. Submission formats: Google/Youtube/Bilibili links

Pure beginners are encouraged to express themselves musically through singing or playing an instrument.

After reviewing the applications, the Academy will invite individual candidates through email for live audition.

Live Audition / Interview (late May onwards)

For the live audition, applicants should prepare two contrasting pieces (in terms of musical style, mood or tempo) of their own choice. These can be the same pieces submitted in the preliminary screening.

The Academy jury will look for technical control, musical potential and talent for further development. They may selectively hear sections of the works prepared and may also assess candidates on sight-reading and aural ability.

Depending on course requirement, some candidates would need to attend a one-hour written test in aural and theory.

Notification of Audition Result

Audition results will be issued by the end of July. Recommendations into courses other than the chosen ones may occur.

Entrance to the Junior Music Programme is competitive. Owing to the large number of applications, the Academy will not provide written assessments or engage in correspondence with unsuccessful applicants.
